Mayor Kris Hanna
City of Marion Council
245 Sturt Road
Sturt SA 5047

Dear Mayor Hanna

I am a thirteen-year-old girl from Hallett Cove and it brings me great sorrow to learn that I, as part of the Cove Football Club, have been 'kicked out' of the Cove Community complex.

This year I started playing football for the first time in the Cove Under 14 girls team. As a female player I couldn't have asked for a better community to start my first ever football season with. I felt safe and nurtured, every time I went to the club I walked away with a smile on my face. A highlight of my season was winning our first game, I felt on top of the world. All of the spectators ran up to me and that's when I knew my future was at the Cove Football Club. Every day at school in class I would think about going to see my best friends and teammates for football training. At training our cheeky smiles would take us for a lap of the oval while we talked about our day. The Cove Football Club is a place where I always want to be and I never want to leave, a place where everyone is friendly. It's a place where I belong. Every game, every training I walked away with a new friend, and a new reason to be happy. If this club goes away where do I go? There's not going to be another club that makes me feel the way I do after every training, game or presentation.

The Cove Football Club had a very successful season winning 2 premierships in the Open Women's and Under 12 grades during 2019, my mother and brother played in these teams.

At the Cove Football Club win or lose the community supports each other. Allegations of 'sexual harassment' have been put against my clubs name. This is the complete opposite to my experience at the club where I always feel supported and safe.

The fact that the council has made this decision, doing little to help the football club this season after taking control of the Cove complex, is outrageous. I am very frustrated that from one or two alleged wrong actions, the whole club from juniors to seniors has been affected. This leaves me questioning 'will my dream of playing for Cove Football Club live on?' Why impose cruel long term consequences that have adverse impacts on young innocent teens and my community? Little do the council know that this is more than a club, this is a community home for us juniors, where **we feel safe**. If the council do not allow the football club back it will initiate fragmentation in our community. Not only fragmentation but hundreds of kids like me may **not ever** return to football. This leaves me with limited opportunities in sport for the future. The question spirals through my head 'will I ever see my teammates who I call my best friends again?'

I have a community to go to, a place where I can run with pride with my Cove Cobras uniform on; I have a community where I feel safe; I have a community who supports me and who cheers for me from the sidelines; I have a community who cares for me and who looks after me, but I can't feel supported or safe if there is nowhere for me to go. Is the council going to help build up my community or take it from me?

To Mister Mayor,

My name is Tom Gill and I am one of the several players for the Cove Football Club I am 10 years old turning 11 and the reason why I play at cove is because my dad played for cove in A grade so I have a bit of history at the cove footy club. I am feeling a bit sad because the Marion council has taken away our home ground and now we have to find another place otherwise in 30 days we will be shut down and have to find another club.

I love to play at Cove because I have made a lot of friends and if we have to leave the club my friends might not go to the same one and we will have to play against each other not with each other. I like the new lights we got not long ago and it feels special going onto the oval each Friday night for training and on game day we always get fired up to get on the field. After training dad and I go have some dinner and have a laugh with some of my mates and their dad's too.

Footy is my number 1 sport and I started playing at Cove when I was 5 years old in AusKick. I can't just let this go down the drain.

PLEASE don't take this away from me, my mates and all the other Cove Cobras.

Ps The club is my life please don't take it off of me.

From,
Tom Gill

Mr Mayor
please don't take our beloved club away. I am Bodie
Thomas and I turning 12. My Dad has played at the
cove football club and so do I. We spend most of our
time at the club which we love. I will be so pleased
if you don't take our club away. When I heard the
news I was so devastated when my mom told me
that we might have to leave the club. It broke my
heart. We ask you to change your decision.

By Bodie Thomas

To Mayor,

Our names are Jaiden and Saxon we are eleven years old and we play for the Cove Football Club. We have played at Cove Football Club for 5 years. Our Mum and Dad told us both yesterday that the Marion Council have taken our club rooms and home ground away from us. When Mum and Dad told us this we started to get very sad.

Saxon- I got really sad because I've been playing at this club with my friends for a long time and if this Club gets taken away from me i feel that I may not play my favorite sport footy any more. All I wanted to do when I'm older is play in a professional football team and you could take that away from me doing that.

Jaiden- This club is important to me because they have supported me as a player and even when I had my open heart surgery and that meant a lot to me. My footy mates are some of my best friends that I want to play with not against.

PLEASE don't take our football club away from us and our friends.

Thank you

To whom it may concern;

My name is Toby and this year I played my first year of mini football at the cove football club which is very close to my house. I wanted to play at the cove football club because I had heard it was a good sport to play and a lot of my friends from school played there too. During my first season I won a lot of my games and learnt a lot of new things about football. I learnt you couldn't tackle in u8's and I had a lot of fun with my friends from school as well as new friends that live in the area.

I really want to be able to play football next season with my same team as well as new friends but if the cove football club closes down I won't be able to do that again and that would make me very sad and I don't understand why it might close. It's really close to my home and I like playing at the big oval and having fun. The carnival day we had with lots of other teams at the football club was a great day. Please change your mind about closing down the cove football club because I really want to keep playing their like my brothers and my friends do.

Thank you,
Toby Ayars

My name is Taj King, I am 10 years old and I play for the Cove Cobra's at Cove Football Club.

I love playing football with my mates, the ones that I have met through the club and the ones from school that play there too. My little brother also plays for Cove and when our little sister grows up we hope she can play there as well... if our club hasn't been taken away by then.

Our Dad and our Uncle both Coach the minis on Sundays and our whole family comes to watch us play. Our cousins, our grandparents and our step parents and brothers stand side by side and clap and cheer for us and for the other club's teams too. Cove is a place where all families come together to cheer all the players on. My cousin came to so many games last season and also got to watch the Women's team play, she loved it so much that she decided she wanted to play next year too.

If you take our club away we will lose all of this.

I love football and I love our club, please don't take this away from me.

Dear mayor,

I have been at this club since I was 5 playing auskick with all my mates that still play with me now. I am now 13 years old in under 13's all though we haven't been the most successful club all year we stay strong as a community and we always get around each other and keep encouraging each other. The community and vibe of this club has made me stay through 9 years of football with nothing wrong with this community. Although my team haven't been successful there are still some teams that are successful for example the women's team, they have now one back to back premierships, which has been very good for the club because the women's team has only been around for 2 years.

Yours Sincerely,

Zac Thomas

Dear Marion Councillors,

My name is Abby and I am 10. This is my first year playing with the Cove under 14 girls team. I have really enjoyed making new friends, getting new skills in footy and just having fun.

My team got our first win ever at the Cove home ground and it is really sad thinking about having to let it go. I have had a lot of fun memories at our home ground such as the Cove disco night, watching the open woman's have their first night game and a lot more.

Hopefully you see this letter and change your mind about kicking all of us Cove Cobras out of our home ground that we all love and share.

My names Lucas from under 10 reds. I want to keep Hallett Cove Footy club because.... I like footy so much, I want to kick more goals. I look forward to every Friday nights training to see all my friends from the Hallett Cove area. Sunday is special to me because my nanna travels a long time to come watch me with my mum and dad. Its taken me 2 yrs to remember the team song so please don't take the club from me and my friends.

To the Mayor of Marion
Mr Kris Hanna

My name is Deklan Warren and I'm 10 years old and have been playing for the Cove Cobras since I was 6 years old . I'm very sad to be told by my Mum and Dad that I wont be playing there next year because we have been told to move . Us kids want to play football and have fun, surrounded by our friends and family to keep active. I do not believe that the whole club should be punished for actions that were not committed by us juniors. They caused the problem, and we are being punished for it. That does not make sense. The people who caused the problem need to be punished, not the whole club, that way Cove Cobras can be a safe and enjoyable place for everyone, and our family reputation of being the great club we are can stay the same. We just want to have fun and play football in our community. I'm hoping the the decision can be changed for me and my friends .

Yours sincerely

To the Mayor,

My name is Jackson Taylor, I am 10 years old and I was devastated when I heard that Cove FC was being kicked out of the club rooms.

I've been playing at Cove for the past four years in under 8's 10's and I even filled in for under 12's for a few games this season.

At my time at the club I've always had a good time making lots of new friends, hanging out with them after training, having dinner after training with them too, playing footy games on Sunday, helping out in the canteen because I want to help out at the club and because I think it's fun and the club's spirit is very positive.

Please don't take away our club because it means everything to me and to lots other people as well.

From a proud Cove minis footy player,

Jackson Taylor.

Dear Mayor,

My name is Lachlan Gill and I am 9 years old, I live in Sheidow Park and go to St Martin De Porres School. I play for the Cove Cobras Football Club in under 10's and have been playing at the club since 2017. My mum let me know the other night that you and some of the people you work with have made a decision to not allow the Cove Football Club to stay where they are, and if we don't find a new home in 30 days the club will close.

I wanted to write to you to let you know that this made me feel really sad, especially because I might not get to play at the football club with all my friends anymore. I'd hate to have to play against all of my teammates if we have to try and find different clubs. My mum also told me that the reason you have made this decision was because some people were not acting in a kind and respectful way. I know that it is wrong if these people did act like this and I think they should get in trouble or something should be done, but I don't understand why we all have to be punished as we all haven't done the wrong thing. If someone does the wrong thing at school they don't shut the school down they make sure the kids who did the wrong thing get punished and learn not to do it again, so I can't understand why you have to shut down the whole football club.

I love playing footy and one day I'd love to play for the Power. I look forward to when the season starts and getting to go to football training on Friday night and see my friends. My dad always takes me and we get a sausage and drink after training. I love playing on Sundays and all of my family come and watch including my mum, dad, two sisters, Pa, Nanna and sometimes my Uncle and Auntie. I feel really proud playing for the Cobras and having them all there to watch me. Maybe you have kids and they have played at a sporting club or the people you work with have kids and they have, then you will know how important it is to them to be part of that club and how much they enjoy it.

I'm really hoping you can change your mind and let the Cobras stay open. My mum tells me whenever something goes wrong or someone has done the wrong thing you should always try and talk to them as there is always a solution you just need to find it. I hope that you can find another solution.

Thanks for reading my letter.

To Mr Mayor –

My name is Kai King and I am nearly 9 years old.

When I turned 6 I got to do Auskick at Cove Cobra's Football Club and then I signed up to be one of their minis with my cousin.

My Dad and my Uncle are my coaches! They teach us heaps of cool skills, how to be good team players and every Sunday before we are allowed on the field they remind all of us kids the three most important things:

1. Show respect to the coaches, umpires, our team mates and our opposition.
2. It's okay to be passionate about the game but it is never okay to use naughty words or be mean to anyone.
3. No matter what always shake the hands of your opposition and say 'good game mate!'

My favorite part about Cove Football Club is seeing all my new friends every Friday for training and singing our Club song on Sundays ... and getting a sausage sizzle after of course.

Our Club is a fun and safe place to go, filled with families just like mine. We cheer each other on from the minis, to the big kids, all the way up to the men's and women's teams.

Please don't take our home away from us.

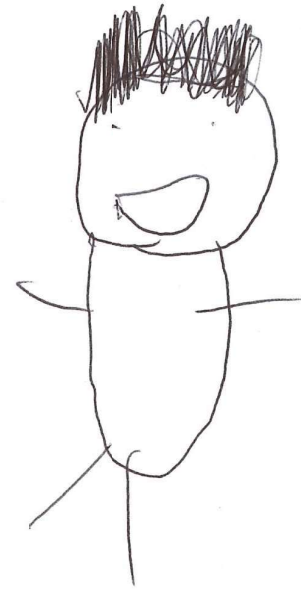

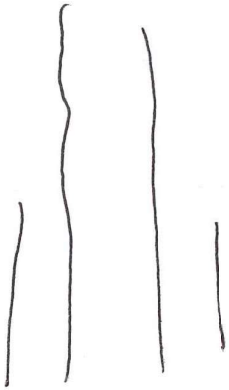

From,

Kai King.

Dear Mr Hanna,

My name is Caleb Hyland. I am 10 years old and I play football for the Cove Cobras and have been playing for 4 years. I love football because I have made lots of new friends at the Cove Football Club and I have learnt so many new skills from the coaches there. My dad, mum and my sisters love watching me play and cheering my team on.

My mum and dad told me that the Marion Council aren't going to continue to let us use the oval and the clubrooms at Hallett Cove. I can't believe it and have been so upset since they told me. If you shut down our football club I can't keep playing my favourite sport with all of my friends and at the place I love. There are a lot of kids playing at Cove Cobras. Dad told me we are one of the biggest minis club around our area. Where will we all go to keep playing next season? You are shattering so much of our dreams.

Please could you have a think about all of us minis and change your decision? It is not fair.

Thank you,

Caleb Hyland.

To whom it may concern;

My name is Jai and I'm currently playing under 10 football about to go to under 12, and I play at the cove football club. I have played at this club for three years now and would really like to keep playing there. Next year if the club gets shut down I might not play football but if it stays open I'll play. Cove football is a great club to play for and make new friends and learn about the sport. The carnival was a lot of fun all my friends were there we won most and lost some but it was fun till the end.

I don't understand why you are shutting the club down, if you shut it down where will we be able to play football that have the same coaches and friends I have now. No other club is big enough to take us all together. A lot of my friends came and played for the first time this year and really liked playing at cove. I don't know what other club would have coaches like the cove have because they are helpful, equal, nice and teach us about the skills for football so that I can get better and faster. My coach this year even put our names on our guernsey's which looked great.

Please don't shut the cove football club down I really enjoy playing there with my brothers and friends from school and from the area and I hope you change your minds.

Thank you,
