

Council unveils \$123,000 upgrade of Wistow Crescent Reserve

A \$123,203 upgrade of Wistow Crescent Reserve at Trott Park was unveiled yesterday by the City of Marion.

The upgrade involved the installation of a natural timber multi-station with climbing elements and a slide; a new timber-framed swing and a nature play area with log steppers, balancing logs and stepping stones.

Council also planted new trees and landscaping, created a new pathway into the reserve and installed irrigation, a drinking fountain, and a new bench seat.

A community celebration was held at the reserve this afternoon to mark the completion of works

A facilitator from the City of Marion's On@CoM Sports Program hosted games for the young people who attended the event.

On@CoM is a free council-funded program for young people aged 5 to 18 years who live within the City of Marion.

On@CoM run different activities throughout the school calendar, including school holidays. Term 2 activities include Tennis, Hip Hop, CrossFIT, Athletics, basketball, AFL, Squash, Mountain Bike Riding and Volleyball.

The City of Marion is committed to making its community a more liveable and connected city that values nature.
