

City of Marion adopts final draft of 2022-2023 Annual Business Plan

The City of Marion adopted the final draft of its Annual Business Plan (ABP) for 2022/23 at its recent General Meeting, confirming a 2% average increase in residential rates.

Council Members unanimously supported an amendment to reduce rates for room hire at community centres and libraries by 50 per cent to encourage community use.

Details about the final draft can be viewed in the minutes of the General Meeting available [here](#).

The final version of the ABP and the Long Term Business Plan will be confirmed at the June 28 General Meeting.
