18 June 2021

Hello,

Road reinstatement works – The Cove Road, Hallett Cove

What we're doing
Working closely with the City of Marion (Council), we're repairing a damaged section of Council-owned road on The Cove Road in Hallett Cove, where a water main break recently occurred.

Residents may recall that this is the same stretch of road that has had structural damage previously, where the cause of the issue was not able to be confirmed by the geotechnical studies conducted at the time.

The water main was successfully repaired last week and remains in good condition, with water supply for affected properties restored soon after. Together with the Council, we're continuing investigations into the cause of the break along with understanding the structural condition of the road, with our current focus making the area safe again for motorists.

When it's happening
Our standard construction hours are between 7am and 6pm. Subject to weather and any technical constraints, we expect to complete works and reopen the road by mid to late next week.

For the safety of the community and our crew, traffic management will be in place for the duration of the road reinstatement, with The Cove Road temporarily closed between Pindee Street and Westcliff Court.

People are encouraged to use nearby Lonsdale Road where possible, in the meantime.

Keeping you updated
There will be no interruption to your drinking water supply as a result of these works, and we're committed to minimising any impacts during construction, such as dust or noise caused by the use of heavy machinery and increased vehicle movement in and out of our worksite.

We assure you we are working as quickly and safely as possible with the Council to complete repairs and reopen the road.

If you have any questions about the works, please contact me on **1300 SA WATER (1300 729 283)** or email project@sawater.com.au.

Thank you for your patience and understanding during this important work.

Yours sincerely,

Maggie Volpiano
