- 2. New Seat along exitsing pathway to the East
- 3. New Seat along exitsing pathway centrally
- 4. Pathway Section Upgrade connecting central pathway and playspace
- 5. New Drinking Fountain next to existing Shelter

Capella Drive Reserve, Hallett Cove has been upgraded to provide new recreational facilities for the community including a new skatepark, fitness equipment, playground and amenities.

The master plan for the site included a pathway connection from Nannigai Reserve through to the new playground at Capella Reserve. The pathway is being constructed in 2025.

A new drink fountain with dog bowl will also be installed.

Works will commence in late January 2025. The reserve and playground will remain open during this time with restrictions to construction areas.

Work is expected to be completed by June 2025.

You can contact the Open Space & Recreation team on **8375 6600** or by email at **council@marion.sa.gov.au**
